Do you have a family history of dementia or have you received a diagnosis of mild cognitive impairment?

We are looking for eligible adults to participate in an advance care planning program. Your participation will enable you to have conversations with your family about your health care values and preferences.

Eligibility:

Are you interested in making plans for your future care? AND

- Do you have a family history of dementia? OR
- Are you concerned about your memory or thinking skills? OR
- Have you received a diagnosis of mild cognitive impairment? OR
- Have you received a diagnosis of dementia of any type (e.g., Alzheimer's disease, Vascular dementia, etc.)?

Participation:

Completion of an advance care planning guide and surveys over a 36 week period. Total approximate time commitment of 4 hours.

Compensation:

You will be compensated up to \$250 in gift cards.
