**Michelle Malais is a CSA**, Certified Senior Advisor (CSA)<sup>®</sup>, which is the leading certification for professionals serving older adults. She is the owner of Assisted Living Locators, a referral and placement agency, serving the Wasatch front. She is also Dementia Care certified which allows her to understand and assist clients and their families in an empathetic and knowledgeable manner. She has been a licensed life and health insurance agent since 1996. She is from California and moved to Utah in early 2019 and decided to make a career change as a result of the complexity and confusion her father experienced in the process of placing her mother, who suffered from dementia, in Assisted Living.
